A BABE'S GUIDE TO BATTLE ARMOR
DEDICATED TO OVER A DECADE SPENT
ON WORLD OF WARCRAFT, THE DEFINITION
OF A LOVE/HATE RELATIONSHIP
Posing

Be sure to always look your best, whether you're casting a spell....

Mercilessly chained, beaten, and at the lowest you could possibly be...

Or literally just standing around!
CHEST

BE SURE TO PICK ARMOR THAT SHOWS OFF YOUR BEST ASSETS—REMEMBER, LESS IS MORE.

THE SMALLER THE WAIST, THE LESS SPACE AN ENEMY WILL HAVE TO HIT YOU. EMPLOY CORSETS IN YOUR DOWNTIME IF YOU AREN'T LUCKY ENOUGH TO BE NATURALLY TINY.

FOR THE PRUDISH PUGILIST, GO FOR A BREASTPLATE. EMPHASIS ON THE BREAST.
LEGs/FEET

The longer and more slender the legs, the better.
Ideally, you should look like a sexy giraffe.

Your empowerment is directly linked to how high your heels are. Diagram included for clarity. 1 = Not empowered at all, 4 = Practically a feminist.
HEAD AND HELMS

MAKEUP IS YOUR WARPAIN.
The more you wear, the more
distracting you are.

LIPSTICK AS FRESH
AS BLOOD?

BE SURE TO ALWAYS
WEAR YOUR HAIR DOWN, EVEN IF IT’S
IMPRactical/DANGEROUS.
LONG HAIR = FEMALE

AVOID BULKY, UNSEXy
HELMETS. GO FOR
DELICATE CIRCLETs
THAT SHOW OFF YOUR
"WARPAIN”
DON’T YOU WANT TO LEAVE
A PRETTY CORPSE?
IN NONHUMAN RACES, SEXUAL DIMORPHISM IS THE NAME OF THE GAME! BE SURE NOT TO LOOK TOO MUCH LIKE YOUR MALE COUNTERPARTS—OTHERWISE, PEOPLE MIGHT GET CONFUSED!

IN HUMAN RACES, IT'S A LOT SIMPLER. JUST BE SURE TO LOOK AS CLOSE TO A WHITE WOMAN AS POSSIBLE, EVEN IF YOU'RE NOT!
